Dear Mallikarjun Jerripothula,

Thank you for your recent gift of \$750.00 to USA for UNHCR. As you no doubt know, this is a time of challenge for the UN Refugee Agency, as both natural and man-made disasters have forced millions of people from their homes.

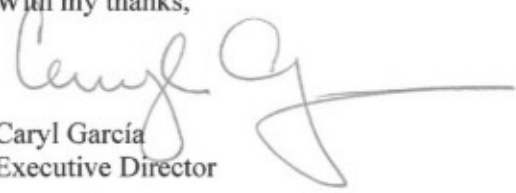

UNHCR works in some of the most volatile places on Earth, helping refugees and giving them protection, shelter, clean water, healthcare, and food. In eastern Chad, UNHCR has established 12 camps where more than 230,000 Sudanese refugees seek harbor from the Janjaweed militia. In Iraq, where the number of displaced people has continued to far exceed initial expectations, UNHCR seeks out durable solutions to provide for the needs and protection of more than 2 million Iraqis who have fled to nearby countries.

For your records:

USA for UNHCR is recognized by the Internal Revenue Service as a charity under section 501[c][3] of the tax code. Our Federal Tax Identification Number is 52-1662800. This letter will certify that you received no goods or services in exchange for your donation.

In more than fifty years, UNHCR has helped some 50 million people restart their lives. This year alone, UNHCR will care for over 19 million people scattered in 116 countries. With your help, UNHCR—a two-time Nobel Peace Prize winner—will continue meeting the challenge...one refugee at a time.

With my thanks,

Caryl Garcia
Executive Director
